About Ajax

Ajax Medical Group Ltd. is a modern high end manufacturer, specialising in developing and designing their own brand of treatment centres.

Ajax have invested heavily in research and development, they currently hold 16 patents and are certified by FDA, CFDA, CE, ISO9001 and also hold the European Free Sales Certificate.

Strong company values and dedication to produce quality products have helped the business to grow and strengthen.

High Quality

5 year warranty included with all treatment centres.

High Specification

Piezo scaler and fibre optics included as standard.

Highly Competitive

With quality to rival the best.

DISTRIBUTION WAREHOUSE

About Us

Dental Warehouse Ltd. started in 2008 and has since grown to become the unique market leader in the UK as a distribution and fulfilment warehouse for the dental trade, dealers and engineers, supplying component parts and finished goods.

Huge efforts have been made to stock and supply products from reputable manufacturers whose factories are certified with ISO and all products are CE marked. We pride ourselves on the long term relationships that we have built with major manufacturers and are pleased to be regarded by these companies as their main stockist in the UK.

We distribute Ajax dental chairs, and many other dental products throughout the UK, which can be ordered through your local dealer. Full details can be found on page 16.

If you need help choosing the right dental chair for your practice, or technical advice please call 0800 112 3502.

FAQs

Q: Can I buy directly from Dental Warehouse?

A: You can buy through our Ajax dealer network. Find your local dealer on page 16.

Q: How long does delivery take?

A: Delivery can take 2 - 4 weeks, however your local dealer will confirm and agree an installation date with you.

Q: How do I find my local dealer?

A: You'll find a list of local dealers on page 16, or call Dental Warehouse on 0800 112 3502 for more information.

Q: How long will installation take?

A: Once an installation date has been agreed, our engineers will usually be with you for half a day.

Q: Do I need to prepare anything in advance of installation?

A: Your Ajax dealer will advise you before hand.

Q: Who carries out the installation?

A: Your Ajax dealer (and a Dental Warehouse engineer if the dealer requires assistance).

Q: Who provides servicing and how often?

A: Your Ajax dealer will agree a servicing schedule with you. You will need to keep your equipment serviced every 12 months to retain the 5 year warranty.

Q: Can I get spare parts for the Ajax dental chairs?

A: Yes, all spare parts are available through your local dealer.

Q: How long is the warranty on the chair?

A: 5 years

Q: Can we contact you for technical support?

A: Yes, either through your Ajax dealer, by calling Dental Warehouse on 0800 112 3502 or via online chat at www.dentalwarehouse.co.uk
